Lower School Expedition to the National Shooting Centre, Bisley

Tuesday 13th - Saturday 17th October 2026

Staff members: TJGH, FDE

Travel

We will travel to Bisley by minibus. Meet at Liddell's Arch at 5.15pm on Tuesday 13th October to load the minibuses with personal bags and equipment from the shooting range to depart no later than 6pm. On Saturday 17th October we will return to school at around 11am.

Accommodation and food

We will be staying at Inns of Court Lodge, a facility for schools operated by Wellington College. We will have exclusive use for the duration of the trip. There are dormitories for pupils, and staff rooms adjacent, all arranged around a communal recreation and dining area.

Inns of Court has a limited kitchen which we will use for preparing breakfast and packed lunches. Evening meals will be catered by local restaurants and in clubhouses on Bisley camp. We may even fire up the BBQ if the weather allows!

Supervision and behaviour

During all shooting activities you will be under one-on-one supervision. During the evenings, you may have free time in or near the accommodation on the camp, within closely specified limits, and with clear meeting times.

All the usual school rules apply for the duration of this trip. The Head Master reserves the right to exclude pupils from the visit on behavioural or medical grounds, and if you have to be sent home for misbehaviour this will be at your parents' expense.

It is important to note the nature of the activities on this trip. They are all incredibly good fun, but they must be undertaken according to strict safety rules. You will be fully briefed and tested to make sure you understand the rules for each activity. However, if at any point you are deemed to be a safety risk to yourself or others, you might either be suspended from taking part in that activity or sent home from the trip.

In addition, you should consider how our behaviour affects and is perceived by other people at Bisley, which is a busy centre for the shooting community. Improper behaviour by our pupils could impact the school's ability to take future trips.
